

I want the Do Not Call law to remain as is. The Wisconsin No Call List has dramatically improved the quality of your life and I want our law to remain as is. I do not want to be exposed to telemarketing from a businesses or its affiliates simply because I have had contact with the business. What is happening to Wisconsin begin so proactive in Consumer Protection - this change would not be in our best interest. Besides, consumers always have the option to CHOOSE to be contacted about promotions, etc. so let us decide for ourselves.
